

# REScue®

For Animal Life Science Laboratories

WIPES

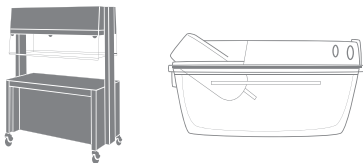

## Deliberately Different™

### For Use In:

- Animal housing facilities
- Surgical suites
- Transportation vehicles

### Hard surfaces such as:

- Automatic feeders
- Counters, exam tables & other hard surfaces
- Desks
- Door & drawer handles
- Diagnostic & laboratory equipment
- Exam room instruments
- Faucets
- Light switches
- Non-porous harnesses and leashes
- Transportation crates & vehicles

### Devices & Equipment such as:

- Computer keyboards & mice
- Microscope knobs
- Phones
- Door handles and light switches

## Ready to Use Wipes One Step Disinfectant Cleaner & Deodorizer formulated with

Rescue™ Disinfectant Wipes clean by removing tough soils such as dirt, grime, mold, mildew, blood, urine, and fecal matter. Rescue's fragrance-free formula cleans and disinfects without harsh chemical odors or added fragrances that may confound study results. Rescue™ Wipes are non-woven, meltblown polypropylene wipe material ensuring even surface coverage and wettability (metered solution release) increasing the ability and efficiency of soil removal.

**Faster** Superior speed of disinfection, proven to deliver superior kill performance against a broad-spectrum of organisms within 30 seconds to 1 minute.

**Cleaner** Rescue™ utilizes superior surfactants that aid in removal of organic soils and prevent cross contamination.

**Responsible** Designed to be easier on surfaces, people and animals. Users and animals are not exposed to VOC's (volatile organic compounds).

**Sustainable** Hydrogen peroxide breaks down into water and oxygen reducing environmental impact and improving the environment for animals and the people who care for them.

**Compatible** Designed to be compatible with a wide range of materials, protecting your assets.

## AVAILABLE PRODUCTS

### RESCUE™ ONE-STEP DISINFECTANT CLEANER & DEODORIZER

EPA. No. 74559-10

EPA. Reg. No. 74559-CAN-1

Format Size: 6"x7" – 160ct Wipes

Product Code: 23221

Packaging Specifications: 12x160ct Wipes

## CLAIMS

**30 Seconds to 1 Minute**  
(Virucidal, Fungicidal)

**1 Minute**  
(Bactericidal, Tuberculocidal)

**10 Second**  
(Broad Spectrum Non-Food Contact Sanitizer)

## SHELF LIFE

**2 Years**

\*See reference sheet for a complete list of pathogenic claims, additional features, claims and directions for use.
